Re: Taiwan (R.O.C.) Patent Application No. 110112571  
"TURBINE ENGINE SYSTEM"  
HELENG INC.

Dear Julianne,

We write to report that we filed the certified priority document, Chinese specification and Chinese drawings with the IP Office on April 22, 2021.

Attached please find electronic copies of the Chinese specification and the Chinese drawings as filed to complete your records.

In closing, we are still awaiting the Power of Attorney which should be filed with the IP Office to meet the **August 7, 2021** deadline.

While a two-month time extension is obtainable upon request, please forward the Power of Attorney at the earliest possible opportunity.

We look forward to hearing from you soon.

Best regards,

Tony
